The purpose of the Jack Nichol Award is to recognize excellence in the design of modern recreational boating facilities around the world. Everyone can give notice about such an excellence submitting an abstract.

To be eligible, a facility must:

- Provide berthing for recreational boaters
- Have been constructed within the last 25 years
- Have operated successfully for the last 5 years
- Accessible to the boating public

The Recreational Navigation Commission of PIANC will evaluate the applications and make a decision based on the following criteria:

- Functionality
- Aesthetics
- Environmental Sustainability

Submission deadlines:

Abstracts submitted August 31st, 2009

Short list notified by September 30th, 2009

Applications due December 31st, 2009
